Jane's Role

This is Jane
Breast Cancer
Nurse Specialist

Jane is an expert in Breast Cancer Care.

Jane's role provides Continuity of Care for Sue throughout her Cancer journey.

Jane is a part of Sue's Multidisciplinary team and liaises with others on the team.

Jane is a single point of contact for Sue.

Jane coordinates Sue's care whilst providing education and support for Sue and her family.

Sue is grateful for Jane.

Benefits of Specialist Nurses

- ✓ • Tumour Group Specific
- ✓ • Equality
- ✓ • Continuity of Care
- ✓ • Efficiency
- ✓ • Increased Patient & Staff Satisfaction
- ✓ • Education & Research
- ✓ • Opportunities for Growth & Expansion

Let's give Bob the same Care & Support as Sue.
